COMPONENTES HIDROTÉRMICOS

## Tarifa Febrero 2022

Consultar catálogo y lista de precios en  
[www.potermic.com](http://www.potermic.com)

## Compromiso de calidad y servicio

Desde

**1989** Apoyando al distribuidor

Bajo una cultura empresarial con un alto grado de exigencia, se enfoca la actividad diaria hacia la mejora continua y una mayor capacidad de innovación.

Avalado por una experiencia de más de treinta años y una voluntad continuamente renovada, **Potermic** se ha convertido en un referente de excelencia empresarial en el sector de la distribución. Siempre en vanguardia y ofreciendo las propuestas más actuales, los valores basados

principalmente en la gama, el servicio y la calidad Europea, se han consolidado como nuestras principales señas de identidad.

## Tarifa Febrero 2022

Les presentamos esta nueva lista de precios cuya aplicación en estas fechas viene motivada por los constantes e importantes aumentos de precios que se vienen produciendo desde hace ya varios meses y que nos obligan a actualizar nuestros precios de venta.

Esta Tarifa Febrero 2022, estará únicamente disponible en formato digital y podrán Uds. consultarla o descargarla en formato PDF en [www.potermic.com](http://www.potermic.com)

Asimismo, el Catálogo 2021-22 continúa siendo válido como herramienta de trabajo ya que su contenido se encuentra totalmente actualizado y que podrán también consultar o descargar visitando nuestra web.
